### Introduction:

Congratulations on your upcoming nuptials!

Thank you for showing interest in hosting your special day at Grand Kruger Lodge!

We are a 4 Star accredited Lodge situated in Marloth Park which is approximately a 15 minute drive from the Crocodile Bridge Entrance to the Kruger National Park. The Crocodile River creates a border between Marloth Park and the Kruger National Park. This Southern part of the Kruger Park is known for the highest concentration of game and the Big Five are spotted regularly. The bird life is abundant and we boast over 500 species of birds. The Lodge is a haven in the heart of the Bush. The game roams freely around the Lodge and you should expect a visit from the animals whilst you stay here. In our piece of heaven you can relax in an open pool sip cocktails and experience Africa at its best in style. We take great pride in our staff who gives excellent service!
