*We are delighted to offer our exceptional wedding packages at Grand Kruger Lodge & Spa. To ensure a seamless and enjoyable experience, we kindly provide you with the following information:*

## **Number of Guests:**

Our lodge caters for a minimum of 60 people when booking the entire lodge. For accommodation, the lodge can comfortably accommodate 42 overnight guests (plus four extra bed options). If you have more than 42 guests requiring accommodation, we will be happy to assist in arranging alternative venues at nearby lodges. Please note that any additional items or services needed to cater for more than 60 guests will be the client's responsibility.

If your guest count exceeds our maximum capacity, we kindly advise that we cannot be held responsible for cold or wet weather conditions should some of your guests need to be accommodated elsewhere.

## **Responsibility and Liability:**

We want your wedding celebration to be safe and enjoyable for everyone. As the host, you accept full responsibility for your guests and acknowledge that Grand Kruger Lodge & Spa and its employees cannot be held liable for any loss or injury to persons or property, whether due to negligence or any other cause. Any losses or damages incurred will be charged to your account.

*We want your wedding celebration at Grand Kruger Lodge & Spa to be a harmonious and enjoyable experience for everyone. To ensure a respectful and welcoming atmosphere, we kindly ask that you adhere to the following guidelines:*

## **Music:**

Marloth Park is a precious conservation area, and as such, we have specific rules in place to protect the wildlife and preserve the natural surroundings. We kindly request that amplified music played during your function does not exceed the ambient sound level. Please ask your DJ to contact our management team to discuss any necessary measures to maintain a balanced sound level throughout the event. The music must conclude by midnight, regardless of when it started.

Our coordinator will ensure compliance with the venue's regulations and may suggest transitioning to a low background music level to respect the establishment's guidelines.

While we strive to provide a seamless experience, Grand Kruger Lodge & Spa cannot be held responsible for any damages to outside service providers' equipment in the event of power supply interruptions.

## **Decorations:**

We understand the importance of creating a beautiful and personalized ambiance for your special day. To avoid any disappointment or damage to the venue, we kindly request that all decorations be discussed with your function coordinator before the ceremony. This allows us to work together and ensure that your vision is realized without any issues.

Any property or decorations left at the venue after the function must be collected by the client the following day. Please note that Grand Kruger Lodge & Spa cannot be held liable for any damage or loss of property left behind.

## **Parking:**

For the convenience and safety of all guests, we request that all cars be parked in the allocated parking area at the main entrance. We kindly ask that no cars are parked in any other areas under any circumstances.

## **Smoking:**

To maintain a comfortable and pleasant environment for all guests, smoking is strictly prohibited in our enclosed venues. However, we do permit smoking in designated areas such as our open dining, deck, and bar areas. We are open to discussing specific arrangements regarding smoking areas to accommodate your needs.

## Candles:

To maintain the utmost safety and protect our linen, we kindly request that candles are not placed directly onto the linen. If necessary, our team reserves the right to remove candles. Please communicate this important information to your florist. In the event that our linen sustains wax damage, we regret to inform you that it cannot be taken for cleaning purposes. Any damage caused to the linen by candle wax will be charged to your account. To prevent wax dripping onto our linen, we recommend using clear cellophane or silver foil under your candles. Adhering to this guideline will help expedite the process of refunding your deposit.

## Restricted Area:

We kindly ask that your guests remain within the vicinity of the hired venue. As our lodge is situated in a nature conservation area where wild animals roam freely, we prioritize the safety of our guests. It is important to refrain from attempting to track, touch, or feed the animals. You, as the host, are fully liable for the safety and well-being of your invited guests. Please ensure that children are accompanied by an adult person at all times, considering the presence of wild animals on the property.

## Confetti:

To maintain a pristine environment and minimize the impact on nature, we do not permit the use of confetti, paper streamers, rice, or feathers. However, we do allow the use of flower petals for a beautiful and eco-friendly alternative. Please be aware that a staff overtime rate will be charged for cleaning if confetti or other prohibited items are used. Any necessary repair work resulting from non-adherence to this guideline will also be billed to your account.

## Overtime:

The start of your 8-hour venue hire fee will be marked one hour before the commencement of your function or ceremony. After the initial 8 hours, the venue overtime rate per hour will apply. Please note that our overtime rate will apply after midnight (24:00), regardless of the 8-hour period.

*At Grand Kruger Lodge & Spa, we aim to create a welcoming and enjoyable atmosphere for your wedding celebration. These guidelines are in place to ensure the safety of all guests, preserve the beauty of our surroundings, and maintain the high standards of our venue. If you have any questions or require further clarification, please feel free to reach out to our team. We are here to assist you in creating a memorable and magical wedding experience.*
